MEMORANDUM FOR: Director of Personnel

SUBJECT : Office of Imagery Analysis Representatives to
Assist in Agency Recruiting

REFERENCE : Your Memorandum Dated 14 June 1979, Same Subject

STAT The Office of Imagery Analysis has designated [redacted] STAT
[redacted] as representatives to assist in Agency Recruitment
activities. Both individuals are extremely well versed in the field
of Imagery Analysis and would be capable of making spot assessments of
applicants as well as imparting to them a good understanding of the
functional requirements of Imagery Analysis. Because of their
broad experiences in NFAC, I am certain that our designees would also
serve well in the capacity of discussing and answering questions of a
general nature concerning Agency employment opportunities with groups
of students and potential applicants.
